

SOLUTION PARTNER IN INDUSTRIAL MINERALS

nigtas.com

BEING A WORLD BRAND IN INDUSTRIAL MINERAL SECTOR WITH 40 YEARS OF EXPERIENCE

Niğtaş Corporation is located in Niğde City in the South Central of Turkey. Niğtaş is a leading industrial mineral producer established in 1986 and operating all over the World. Its mineral reserves have a very important place in its region and in the world. Today, Niğtaş is one of the most innovative suppliers of filler in the market.

Our mission is to operate our highest quality reserves from the source to the customer by offering the latest solutions, to be sensitive to people society and nature, to add value to our products with innovative technologies, and to present our products to the world within the framework of our sustainable development policy.
